manufactured by company

MEDEXIM, spol. s r.o.
Hlboká 58, 921 01 Piešťany, Slovak Republic

**is manufactured under conditions fulfilling the quality system requirements of Annex VI, of the
Directive 93/42/EEC as amended by 2007/47/EC.**

The Notified Body No. 2265 has performed an audit of the above device quality system. The product quality assurance has been assessed and found that it meets the requirements above. The quality system is subject to continuous surveillance according to Annex VI, Sections 3.3, and 4, of the Directive 93/42/EEC as amended 2007/47/EC. The detailed description of the system, requirements and measures applied by the manufacturer are presented in the Audit Report No. 310308 and the Final protocol No. 310308B/2018.

This certificate is issued under the following conditions:

It applies only to the quality system maintained in the manufacture of the above referenced model of medical device and it does not substitute the design or type-examination procedures, if requested. The certificate remains valid until the manufacturing conditions or the quality system are changed but until June 30th, 2023 at the latest. The certificate validity is conditional upon positive results of regular surveillance audits and fulfilment of relevant legal and other requirements by manufacturer.
